Dear Parents

Firstly I would like to thank you all for supporting the school by completing the parent survey for the Ofsted inspection. It was lovely to hear such positive feedback from our parent community and really shows the compassionate and understanding partnership that we have strived to achieve here at Kilmington.

I would also like to thank every single member of staff for their enthusiasm and hard work as they rallied around supporting each other over the very busy and long couple of days that the inspectors were here. They were like a machine and I am sure that you are all as proud of them as I am.

We will receive the final report in due course and will share with you all as soon as we are able.

**WORLD BOOK DAY**

Last Friday we had our World Book Day celebrations and trialled an idea that we have been toying with for a while. Kingfishers, Jackdaws and Ospreys split into groups into three and groups from each class were put together so that the children worked for the whole day in different groups and accessed three different book-related activities led by Miss Knapman, Mrs Hall and Mrs White.

It was really great to see the children working with different children and also lovely for us teachers to work with other children across the school. It was such a success that we are planning to do more of these days across the school year.
