Open Afternoon

After the success of the open afternoon when we celebrated our new Pipits classroom, we have decided to make this a more regular feature. Several people have commented on how lovely it was to be able to spend quality time looking at their children's books without the time constraint of parents' evening time slots! From the teachers' point of view as well, to see the children being proud of their learning and sharing with their families was really heart-warming. I think that everyone benefitted from this activity so we have planned the next one to be Friday 14th February at 2pm. The classes are again planning performances for you to watch, which will be followed by free time to visit your children's classes with them. We hope you see you all then.

Kingfishers Outdoor Learning

Children can come to school in appropriate clothing and bring their wellies or alternative appropriate shoes in a separate carrier bag. Wellies are ideal and long trousers and long sleeved tops are essential to protect from brambles, stingers and insects. Enough clothing to keep warm and coats are essential on these dates.

Thursdays - February 6th & 13th
