

## Science 1

### Seasonal Changes 1

Key learning: Understanding autumn; understanding winter.

## Computing 2

### Data and Information - pictograms

Key Learning: Counting and comparing; entering data; creating pictograms; understanding attributes; comparing people; presenting information.

## History

### Famous Explorers

Key Learning: thinking about how we can find out about the past; understanding why people explore; knowing the important explorers from the past; knowing the famous explorations from the past and comparing them; thinking about how they have changed over time.

## PSHE

### Key Learning:

Rights and responsibilities; special people in the community who keep us safe, and how to contact them in an emergency; recognising and celebrating us as individuals; respect similarities and differences in others; describing feelings; who to go to for help.

## Art

### Chromatic

Key learning: Learning how to make colours; looking at abstract art; learning about Hilma af Klint; thinking about the meanings of abstract art; talking about abstract art.

# KINGFISHERS AUTUMN CURRICULUM

## RE 1

### Who is Muslim and how do they live?

Key Learning: thinking about God from different religious perspectives; learning some of the meanings of the Muslim 99 Beautiful Names for God; Muslim beliefs in the Shahadah; the importance of the Prophet Muhammad, who he was, what he was like and why he was important; the respect for the Quran and how it is treated by Muslims.

## Music

### Tony Chestnut, The Carnival of the Animals, Bird Song

Key Learning: beat, rhythm, melody, call and response. Classical music, dynamics, timbre. Using a non-music stimulus to compose.

## Computing 1

### Data and Information - Grouping Data

Key Learning: Labeling and matching; grouping and counting; describing an object; making different groups; comparing groups; answering questions.

## Science 2

### Materials

Key Learning: Understanding materials; knowing what things are made from; applying materials knowledge to help characters from traditional tales; thinking about how we can change materials.

## Online Safety

Key Learning: Thinking before you share and checking something is real!

## DT

### Textiles - Making Puppets

Key Learning: Joining fabrics, making and using a template, accurate join two pieces of fabric to make a puppet, and embellish.

## Geography

### Investigating weather and climate

Key Learning: Understanding the difference between weather and climate; ways to collect, record, present, evaluate and analyse weather data.

## RE 2

### Why does Christmas matter to Christians?

Key Learning: What Christmas is all about; reading and remembering the Christmas story; learning about where Jesus was born; knowing what Christians are waiting for in the lead up to Christmas; understanding being thankful at Christmas from a Christian perspective.

## PE

Key Learning: Functional movements; movement concepts; aesthetic movement; manipulative skills.
