

Science 1

Rocks and Soils

Key learning: What are rocks?; are they all the same?; how are they formed?; which rocks make up the Earth?; what are soils?; how are fossils formed?

Computing 1

Computing Systems and Networks - connecting computers

Key Learning: how digital devices work and its parts; how do they help us?; how am I connected?; how computers connect; our school network.

History

Stone Age to Iron Age

Key Learning: life, changes and diet from Paleo to Meso; the search for food in the Neolithic; beaker people; how did tools change after the neolithic?; moving from Bronze Age to Iron Age; round houses; hill forts; stone age South West.

PSHE

Key Learning:

Me and My Relationships - Rules; looking after our special people; problem solving; friends; thanks; dares.

Valuing Difference - respect and challenge; family and friends; community; friends and neighbours; celebrate difference.

Art

Monochromatic

Key learning: drawing texture; drawing eyes; techniques for drawing noses; how artists draw mouths?; thinking about evaluating my art and learning from others.

JACKDAWS AUTUMN CURRICULUM

PE

Dance Unit 3 - improve; dance phrases to convey ideas; share and create with a partner and small group.

Invasion Unit 1/2 (Netball) - throw and catch to control possession; space and supporting team-mates; goals.

Fitness (Circuits) - build strength, stamina, power.

Invasion Unit 1/2 (Hockey) - ball control; passing and collecting; tactics.

Outdoor Learning - 2nd half.

Music

I've Been to Harlem - Pitch, ostinato, round, pentatonic.

The Nutcracker - Rondo, beat, staccato, romantic ballet music.

From a Railway Carriage - structure; pattern; texture; classical music.

French

Key Learning: Greetings and names; numbers 0 to 20; classroom instructions; colours; date and birthdays; French Christmas vocabulary.

Science 2

Animals including Humans

Key Learning: how does our skeleton help us?; thinking about bones; understanding what our muscles can do; looking at animal skeletons... are they all the same?; learning about the types of nutrition we need.

DT

Textiles - Stone Age Mysteries

Key Learning: What makes a good pouch functional and appealing?; thinking about good designs; planning and preparing for sewing; assembling a functional pouch; evaluating our product for success..

Geography

Land Use, Economic Activity, Travel

Key Learning: Types of land use; important features of a settlement and why settlers choose specific places; facilities in the local area; present and analyse information.

RE

What do Christians learn from the Creation Story?
